

Assessment – 6

1. Create a web page with
 - Main heading
 - Paragraph
 - Table – 3 columns and 4 rows
2. Create an HTML page as given below and add essential CSS.

The screenshot shows a web application interface. At the top, there is a blue header bar with the text 'ADD' and 'VIEW' on the left, and 'LOGGED IN AS RAHUL@GMAIL.COM' and 'LOGOUT' on the right. Below the header, the main content area has a background image of an underwater scene with various fish. In the center, there is a white rectangular box containing a survey form titled 'SURVEY FORM'. The form includes the following elements:

- A heading: 'Let us know how we can improve'
- Input fields for 'Name', 'Email', and 'Age', each with a placeholder text.
- A file upload section with a 'Choose File' button and the text 'No file chosen'.
- A dropdown menu for 'Which option best describes your current role?' with 'Student' selected.
- Radio buttons for 'How likely is that you would recommend this program to a friend?' with options 'Definitely', 'Maybe', and 'Not sure'.
- A dropdown menu for 'What do you like most here:' with 'Select an option' selected.
- Checkboxes for 'Things that should be improved in the future (Check all that apply):' with options 'Front-end Projects', 'Back-end Projects', and 'Data Visualization'.
- A text area for 'Any Comments or Suggestions?' with a placeholder text 'Enter your comment here...'. There is a small icon in the bottom right corner of the text area.
- A blue 'Submit' button at the bottom of the form.
